Women's Automotive Solutions Expands!

Women's Automotive Solutions is proud to announce its expansion into a franchised business. Our growth is the direct results of referrals, and I thank all of our clients who have helped make my dream a reality. I am thrilled to see the growth of Women's Automotive Solutions and the changes we are making in the automotive process for our clients. I welcome with much enthusiasm, LeeAnn and Charlotte to the Women's Automotive Solutions team. I am excited to see as we move into 2007 the positive impact we are making with our clients and dealers.

Yours Truly,
Michelle Lundy
Founder / CEO

LeeAnn Shattuck

LeeAnn joined the team in August 2006 with her purchase of the first Women's Automotive Solutions franchise. LeeAnn's passion for cars combined with her 13+ years experience as a management and IT consultant with Accenture, IBM and Bank of America make her a perfect fit for Women's Automotive Solutions. LeeAnn's love of cars began at age five with an odd fascination with orange Volkswagen Bugs. Her interest has evolved into an appreciation of all automobiles, with a particular passion for sports cars. In her spare time, LeeAnn enjoys figure skating and participating in high performance driving events with the Carolinas Porsche Club.

Charlotte Spraggins

Charlotte joined the Women's Automotive Solutions team at the beginning of December as a franchise owner. Charlotte has recently returned to the Charlotte metropolitan area, her original home, from southern California, where she was the founder and CEO of West Coast Auto Illusion, a successful automotive interior restoration business. Charlotte's previous experience as a business owner, including 15 years in the automotive industry, makes her well equipped for this exciting new venture with Women's Automotive Solutions. Charlotte is the proud mother of two daughters and enjoys traveling, skiing, running 5K races, and creating beautiful ceramic and mosaic art.
